Garage Doors

by

Zeeland Architectural Components

Bringing fresh ideas to the ancient skill of woodcrafting.

These doors offer a variety of choices in design, color and material options. They are meticulously engineered, built to endure, and yield an extraordinary effect, exquisite in expression.

We are constantly adding to our repertoire of available styling options,

Custom styling alternatives are welcomed so as to blend

with the unique character of your

home or application.

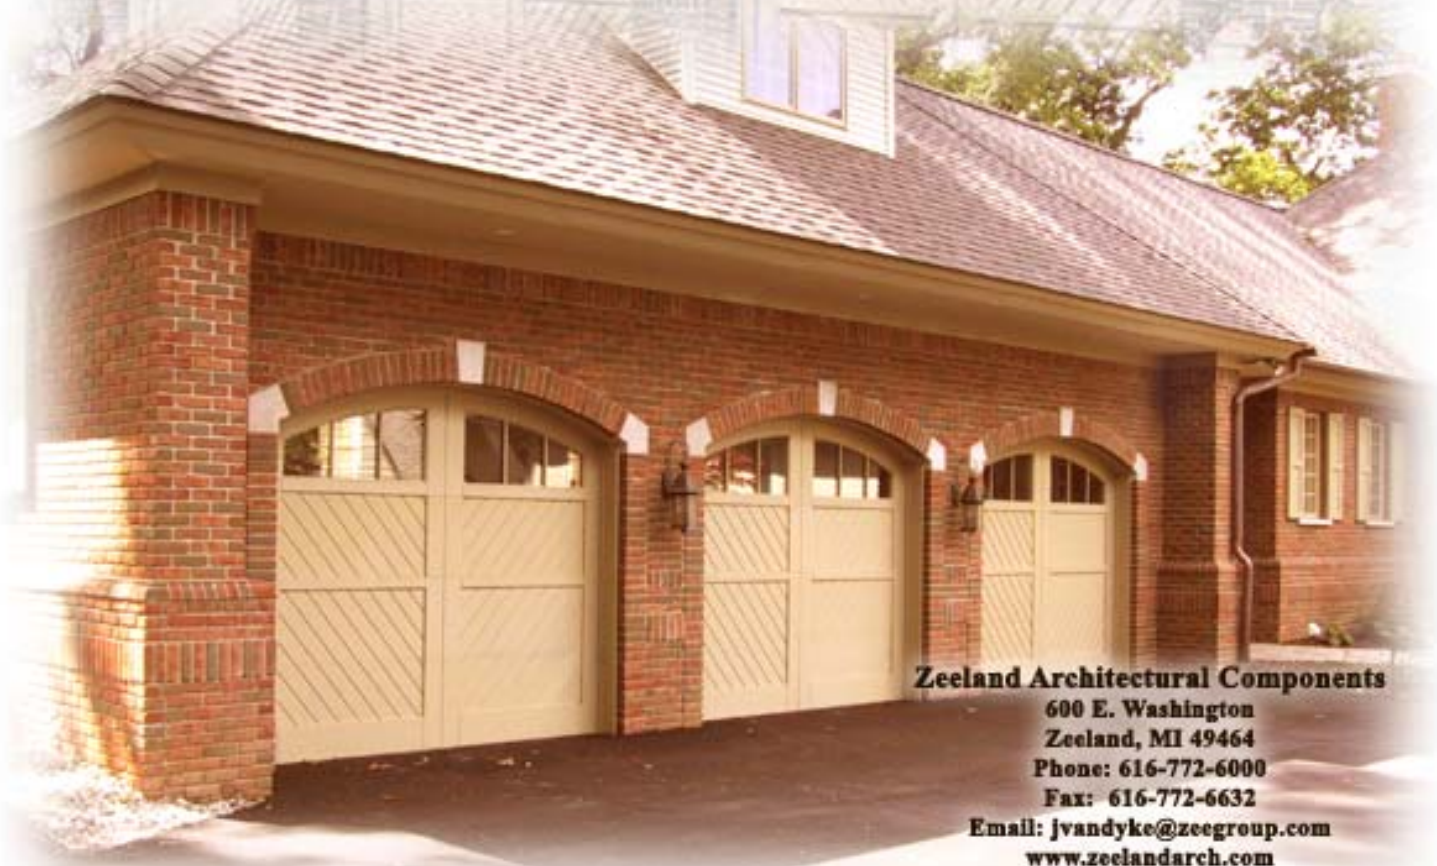

Garage Doors

- ◇ Maintenance-Free
- ◇ Removable glass grilles to facilitate painting and glass cleaning
- ◇ Available in Standard & Custom styles
- ◇ Also available as true swing-out doors
- ◇ All-Wood doors are available

Our garage doors are designed to look good and last for many years! They are masterfully constructed utilizing the latest in technology and construction techniques. We use overlays of true maintenance-free composites on a rigid core of flush door sections, then coat with special primers and (optionally) top-coat in a tough automotive grade finish in your selection of color.
